Spotlight Events

For FM solutions, strategies and sunshine, NFMT Orlando is the place for you!

» TUESDAY GENERAL SESSION

What Would FMs Do: How Facility Managers Navigate Sticky Situations

NFMT Orlando will open day one with this interactive session. Larry Morgan, Head of Operational Excellence and Sustainability Initiatives for North and Latin America, SAP Global Facilities Management, Americas, leads a panel of seasoned facilities experts as they navigate through different real-life scenarios.

This interactive session features discussion and participation from the audience to help determine the best-case outcome for each situation. This real-time evaluation will help you think outside-the-box before an occurrence happens in your building.

» ACHIEVING EXCELLENCE IN MAINTENANCE OPERATIONS PANEL SESSION

Here's your chance to learn from some of the best maintenance and engineering departments in the country. On Tuesday morning, *Facility Maintenance Decisions* Achievement Awards winners offer insights into their successful projects and discuss lessons learned on how to start and finish a job with positive results. Panelists submitted winning projects chosen from more than 30 entries in the categories of renovations and retrofits, sustainability, financial management and personnel management. You are encouraged to ask questions of the panelists during the highly interactive session.

» WOMEN IN FM ROUNDTABLE & NETWORKING EVENT

Tuesday afternoon, join several highly accomplished panelists as they guide a discussion through major issues and trends affecting females in the facilities management industry. They will also rely heavily on participation from the audience to express as many opinions and viewpoints as possible. Topics may include work/life balance, career advancement, managing subordinates and more. Everyone is welcome to join us for this discussion. Following the session please join us for a networking reception. Sponsored by Sodexo.

» QUICK FIRE EDUCATION SESSIONS

Select exhibitors present 20-minute presentations on current FM trends, solutions and opportunities. Taking place in the exhibit hall during Tuesday and Wednesday exhibit hours, the Quick Fire Education Sessions are a new and efficient way to get tips, tools and answers to your FM questions.

» YOUNG FACILITY MANAGER PROFESSIONALS HAPPY HOUR

Break the ice literally and figuratively, with cocktails and fellow up-and-coming FMs Tuesday evening. The ideal way to connect with the other newer-to-the-FM-profession attendees after day one of NFMT Orlando.

Free Time:
Orlando Fun!

Begin your fun with

Walt Disney World, Universal Orlando® Resort, SeaWorld Orlando and the other theme parks, and continue with world-class resorts, shopping opportunities for every budget, all-season golf courses, and some of the most enticing dining opportunities on the planet. Less known but equally inviting are downtown sections of Orlando itself and many nearby towns in Central Florida – places that celebrate public art and take pride in offering a myriad of cultural opportunities. Come to Orlando – and bring the family – and wish upon a star.

International Drive

International Drive, Orlando's "Avenue of Attractions" and the lifeline of Downtown Orange County, is the home to restaurants, hotels, theme parks, shopping, entertainment and more.

October's Average High is 84.6 Degrees

Soak up the sun at one of Orlando's nearby water parks – Aquatica, SeaWorld's Water Park, CoCo Key Hotel and Water Resort, Disney's Blizzard Beach Water Park, Disney's Typhoon Lagoon Water Park and Wet 'n Wild Orlando.
